Plaintiffs,

vs.

ET AL,

Defendants

Case No.: C05-04665JF (RS)

STIPULATION TO CONTINUE CASE  
MANAGEMENT CONFERENCE &  
[PROPOSED] ORDER

Plaintiffs and defendants, through their respective counsel, hereby stipulate as follows:

1. On November 10, 2006, the parties to this case attended a day long mediation which resulted in a full settlement of the case. Per the terms of the settlement agreement, this action will be dismissed in its entirety. The parties have agreed upon the terms of a written settlement agreement and are currently collecting the necessary signatures. It is anticipated that the settlement agreement will be finalized and that all of its terms will be satisfied within the next thirty days.

2. A case management conference is currently scheduled for December 8, 2006. Given that the case has settled, the parties agree that further case management is not necessary. Once the settlement paperwork is finalized, the parties intend to file with the Court a joint request for dismissal. Accordingly, the parties jointly request that the Court set a new case management conference date for sometime in January 2007. As explained, it is expected that the settlement and dismissal will be finalized by that time and that, in fact, the January 2007 conference will not need to take place.
